NOW COMES THE Plaintiff, Stanley Boclak, pro se, and in support of his complaint states as follows:

1. This cause is brought due to callous indifference to the safety of

a ward of the state. Defendants have a duty to protect Plaintiff Stanley Boclaik from known dangers to his life and limb, and to provide somewhat decent sanitary toilet facilities and living conditions. Despite being aware of such dangers and conditions, Defendants, acting under color of law, ignored them and continue to put Plaintiff at risk of assault after allowing Plaintiff to fall victim to multiple assaults in the past, (Stanley Boclaik v. Marcus Hardy, et al., 11-CV-5217, Settlement Agreement August 10, 2013) and impose conditions upon Plaintiff that deprive him of basic human needs (see, exhibits A, B, C, D, E, F), each foreseeable and preventable, subjecting him to substantial physical risk and psychological trauma amounting to cruel and unusual punishment.

2. Most recently, Plaintiff was removed from the general population to the protective custody unit (see, exhibit - C) and only six days later defendants returned Plaintiff to general population informing Plaintiff, "though they knew it would get them in legal trouble, Plaintiff was not allowed to request protection in the prison." (see exhibit - H). Defendants continue to place Plaintiff side-by-side with violent Security Threat Group (STG) members whom they are aware attacked Plaintiff and IDOC officials in the past.

3. The current cells in E house of general population, where Plaintiff is assigned required Plaintiff to insulate his cell from inclement weather by tearing strips from his bath towel, spreading toothpaste upon those and sticking them between the window frame and building. Toilets and sinks are in constant disrepair requiring inmates from all four galleries in the cellhouse to get an officers permission and at his discretion be taken outside the cell to attend those basic needs. These incidents are described in detail below.

4. In addition, Defendants have retaliated against the Plaintiff for his attempt to employ the IDOC grievance system in accordance with regulations

GOVERNING INMATES.

5. Plaintiff Boclair brings this complaint pursuant to 42 U.S.C. § 1983 and the laws of the State of Illinois to redress these violations including those under the First, Eighth, and Fourteenth Amendments to the United States Constitution. Plaintiff also brings claims for prospective injunctive relief against Defendants in their official capacities to remedy ongoing violations of Federal law.

6. Plaintiff Boclair seeks compensatory and punitive damages from the Defendants; a judgment declaring the Defendants' acts unconstitutional; and a permanent injunction prohibiting Defendants from housing him with certain members of the IDOC's general population or otherwise endangering his safety, and requiring them to timely process his grievances.

#### JURISDICTION AND VENUE

7. This Court has jurisdiction pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343 (a). This Court has supplemental jurisdiction over Plaintiff's state law claims pursuant to 28 U.S.C. § 1367 (a).

8. Venue is proper in the Northern District of Illinois pursuant to 28 U.S.C. § 1391 (b) (2) because Plaintiff resides at Stateville Correctional Center (Stateville) which is located in this District, and all of the events giving rise to Plaintiff's claims occurred in this District.

#### FACTUAL ALLEGATIONS

1. PLAINTIFF BOLCHER HAS REPEATEDLY BEEN HOUSED IN CONDEMN CELLS WITH MASSIVE INFESTATIONS OF COCKROACHES WHILE AT STATEVILLE AND THE TOTALITY OF SUCH CONDITIONS CREATE AN OVERALL EFFECT THAT IS UNCONSTITUTIONAL.

28. STATEVILLE CORRECTIONAL CENTER IS A LEVEL-1 MAXIMUM SECURITY FACILITY MAINTAINED BY THE IDOC IN CREST HILL, ILLINOIS.

29. E CELLHOUSE, BUILT IN THE BEGINNING OF THE 20TH CENTURY IS AN HISTORIC DESIGNATED LANDMARK IN THE ILLINOIS REGISTRY, AND UPON INFORMATION AND BELIEF, THE TOILETS, HEATERS AND WINDOWS DO NOT FUNCTION ON A DAILY BASIS IN 65% OF THE CELLS. A 12-INCH HEATER IS THREE INCHES FROM THE FLOOR BENEATH A DOUBLE COUNTERTOP, BELOW WINDOWS THAT WILL NOT CLOSE SHUT.

30. SINCE AUGUST 10, 2010, PLAINTIFF HAS BEEN PRIMARILY HOUSED IN THESE CELLS WHILE THERE HAS BEEN NO WARMTH DURING THE WINTER AND FALL, COCKROACHES IN CONTACT

with Plaintiff in every natural, normal or proper place within the cell, and upon information and belief, more than seven months will pass before any exterminating takes place with watered-down and ineffective chemicals.

31. For example, on November 23, 2011, though Defendants had knowledge cell # 461 was in disrepair Plaintiff was housed there in the dead of winter for four weeks.

32. While four stories up a slight wind would rattle the windows pushing in inclement weather which a simmering heater could not offset, high winds made the cell into a freezer. See, (exhibit - d).

33. Plaintiff filed an emergency grievance with Defendant Hardy Stateville grievance # 4356 on November 25, 2011. See, (exhibit - e).

34. Defendant Hardy deemed the conditions Plaintiff lived under in cell # 461 not to be an emergency so Plaintiff submitted his grievance through the counselor who returned grievance # 4356 on December 21, 2011, and on December 27, 2011, Plaintiff filed his grievance with the grievance officer where it remains over two years without response.

35. Plaintiff's grievance to the Administrative Review Board ARB over the non-compliance of Stateville's grievance officer with the provisions of 20 Ill. adm. code 504. 830 (d) has gone over eighteen months without any adequate response. See, (exhibit - h).

36. Similarly, Plaintiff's concerns to Defendant Bodinez that the ARB was not in compliance with the provisions of 20 Ill. adm. code 504. 850 (f) has gone over a year without an adequate response to Plaintiff emergency grievance # 4356. See, (exhibit - i).

37. Defendant Johnson, having moved Plaintiff into cell # 461 because he

complained in grievances of the physical risk to his well-being in his previous cell, on January 13, 2012, informed Defendant Lazard "he had found Plaintiff a cell".

38. Cell # 209 in F.HOUSE, where Defendant Lazard placed Plaintiff on January 13, 2012, had been a well established CONDEMN cell over two months.

39. There was no lighting in Cell # 209. The sink water would go directly into the toilet and overflow. When the toilet was flushed, water would flood the cell. Defendant Lazard stating, "THAT DOESN'T WORK," but doing nothing else when Plaintiff complained.

40. The next day, January 14, 2012, inmate planner (DIXON A-74131) saw the Plaintiff pouring waste (feces and urine) out the window, which had flooded the toilet and cell floor. Defendant Lazard was alerted, allowed the toilet to be vacuumed and put Plaintiff back in the cell though Plaintiff begged to be given a cell with operating facilities. SEE, (EXHIBIT - D).

41. ON January 15, 2012, Defendant Nushardt opened the cell door to place inmate (BROWN N-71517), inside the cell with Plaintiff, telling Plaintiff, "HE HAD NO CHOICE" after taking his flashlight and examining more than one and a half inches of waste-water upon the floor and an over-flowing toilet, when Plaintiff pleaded with him to consider the conditions for two people, not just one. SEE, (EXHIBIT - D).

42. The next morning, January 16, 2012, Defendant Lazard noticed the stairway from ONE and TWO, THE GALLERY FLOOR FROM CELLS 1 TO 17 ON TWO GALLERY, AND THE RAMP LEADING TO THE BASEMENT WAS INUNDATED IN WATER, URINE AND EXCREMENT FROM THE TOILET WHICH WOULD NOT STOP FLUSHING. Defendant Lazard angrily scolded Plaintiff and inmate BROWN for using the toilet.

43. At approximately 9:00 AM ON January 16, 2012, Defendant Franco came to cell # 209 and handcuffed Plaintiff behind his back wearing only a thin T-shirt, shoes and pants.

while receiving an order over the radio from Defendant Sievers to put both Plaintiff and inmate Brown inside an empty shower, where both Plaintiff and Brown remained until 2:00 p.m. See, (Exhibit - D).

44. The temperature in this day, January 16, 2012, did not rise above the upper 20's. The shower had a cracked ventilated window, Plaintiff was left shivering from the cold and in excruciating pain from the long hours with his hands cuffed from behind.

45. Within three hours of being put back into cell # 209 on January 16, 2012, Defendants Buckhart, Vega and Cervantes came to Plaintiff cell along with Defendant Williams, upon discovering Plaintiff's toilet would not stop flushing and overflowing the gallery, removing Plaintiff and inmate Brown with hands in the front, cuffed, and ordering both to mop the gallery dry of the waste for nearly an hour. See, (Exhibit - D).

46. Defendants complained of Plaintiff "not thinking about them" as they (Buckhart, Vega and Cervantes) oversaw the cleaning of the gallery, with Defendant Williams threatening Plaintiff with, "you better not touch anything in this cell" See, (Exhibit - D)

47. Plaintiff submitted an emergency grievance regarding placement in a condemned cell to Defendant Hardy (Exhibit - D) who denied those conditions and treatment of Plaintiff were an emergency.

48. In submitting the grievance by the normal process Plaintiff's counselor was non-responsive to any of Plaintiff's alleged abuses (Exhibit - D) while the grievance officers held assertion that Plaintiff was never placed in cell # 209 denies reality. See, (Exhibits - B1 and B2).

49. A 'completed work order' is a document informing the Maintenance department work is needed for a location in the prison. The ARS which had orders were completed

for Cell # 209 only after Plaintiff was removed from the cell, see, (exhibit - b3).

50. Defendants Hardy and Johnson were well aware of the treatment and deplorable living conditions to which they confined Plaintiff. Only three days prior to placing Plaintiff in Cell # 209, by housing him in a cell infested with cockroaches in the bed being killed as he slept, wetting sheets and underwear, dropping from the ceiling into the food when eating. see, (exhibit - a).

51. On January 10, 2012, Plaintiff filed an emergency grievance with defendant Hardy regarding the massive infestation of cockroaches in his cell which was rejected as an emergency and later given to his counselor and the grievance officer who were both non-responsive to Plaintiff's complaint of the infestation of cockroaches in his living area. see, (exhibits a and a 1).

52. On May 23, 2012, the ARB determined there was no justification for any consideration of Plaintiff's grievance because Plaintiff was living in Cell # 126, though the number on the cell never changed the deplorable conditions to which Plaintiff was confined by Defendants for nearly eight months, (November 25, 2011 to June 22, 2012).

53. Exhibits (e and f) attest to the condition inside cells on either side of cell 126 and in fact throughout the entire F house, including cell #126.

54. Upon information and belief, inmate (tatu A80739) is one among many of the inmates in F house given disciplinary reports for disturbance when calling out for an officers attention because there were no functioning toilet or sink within the cell when an inmate needed to use those facilities.

55. Plaintiff Kollar has repeatedly requested protection by IDOC officials

SINCE OCTOBER 1, 2007.

55. Plaintiff used to be affiliated with the Gangster Disciples gang but RENOUNCED his former lifestyle and ceased all involvement with gangs in or about 2006. SINCE THEN, the Gangster Disciples have made clear their intention to cause him harm. Such threats began when Plaintiff was housed at Menard and Pontiac Correctional Facilities and have continued at Stateville. Plaintiff is not physically capable of defending himself against violent inmates who are much younger than him and have the backing of dangerous gangs.

56. Defendants were aware that the Plaintiff was endangered by members of Gangster Disciples factions including the Black Gangster Disciples (BGDs) and Black Disciples (BDs) (collectively, the "Disciples").

57. BG and BDs are classified Security Threat Groups (STGs) by the IDOC.

58. Plaintiff filed a lawsuit in the United States District Court for the Northern District of Illinois, Eastern Division, entitled Stanley Boclair v. Michael Randle, et al., NO. 11-CV-5217, alleging violations of rights protected by statute, regulation, common law, the Constitution of the State of Illinois and the Constitution of the United States.

59. Plaintiff alleged that Defendants Hardy, Johnson, Robideau, Anderson and Martinez a.) left him to fend for himself despite having knowledge of threats of violence against him; b.) the protective custody policy of Stateville officials and protective custody cells placed Plaintiff in danger; and c.) Defendants retaliated against Plaintiff by denying law library access necessary to file grievances and appeals.

60. In Boclair v. Randle, Plaintiff suffered actual injuries. On February 1, 2011 while on Stateville yard Plaintiff was knocked to the ground and kicked in the head until he lost consciousness, leaving a golf ball-sized knot on his head and multiple

CONTINUOUS. Plaintiff had to be hospitalized for FOUR days. On November 22, 2011, while inside a protected custody cell Plaintiff was physically assaulted with a sock full of batteries suffering several serious injuries including lacerations on his face and head.

61. On August 10, 2013, Plaintiff Bodina signed his settlement agreement and general release with regard to Defendants Hardy, Johnson, Robideau, Anderson and Bodinez.

62. Though Plaintiff signed his settlement agreement August 10, 2013, the settlement conference was July 11, 2013.

63. Nineteen days after the settlement conference, on July 30, 2013, Plaintiff was removed from general population and put in an isolated designated protected custody area of the prison (X-house), though Plaintiff most recent P/C request was March 17, 2013. See, exhibits (j) and (p).

64. Six days after being placed in the P/C unit, Defendants Lenke and Robideau returned Plaintiff to general population on August 5, 2013, in violation of 20 Ill. adm. code 501.320 (1) (2), while Defendant Anderson did not review Plaintiff P/C appeal until August 12, 2013. See, exhibits (q) and (w).

65. On August 23, 2013, Defendant Hawk was given Plaintiff protective custody request document dated August 22, 2013, after informing Plaintiff he did not consider Plaintiff a P/C inmate but would deliver Plaintiff's P/C request to internal affairs or Plaintiff Commissioner. See, exhibits (k, L and m).

66. Defendant Bowlin, when informed on August 23, 2013, Plaintiff was directly notifying him of Plaintiff P/C request in accordance with 20 Ill. adm. code 501.320 (1) defendant Bowlin told Plaintiff, "I know I'll get in legal trouble, but you are not allowed to request protective custody." See, exhibits (k, L and m).

67. On August 23, 2013, Defendant Montes, when informed under the provisions of 20 Ill. adm. code 501.320 (4) Plaintiff was requesting protective custody replied, "I already know, Internal Affairs knows and the Placement Office knows and you are not allowed to request protective custody while in stateville". See (exhibits - k, L and M).

68. Apparently, Defendant Anderson, on August 21, 2013, rejected Plaintiff's appeal of his request for P/C placement, falsely claiming among other specifics, that Plaintiff's claim of threats on his life for the gang-related killing of inmate Riley C. 02302 "has not been substantiated by the ARB" though the ARB report nowhere mentions the threat, first ever disclosed in Plaintiff's March 17, 2013, P/C request, which was the basis of the ARB report. In her decision, Defendant Anderson states, "Boclair has been seen by the Board several times in the past failing to detail after each P/C request an assault or threat of assault come upon Plaintiff solely by the acts of Defendants Anderson and Codinez, who, along with defendant Lemke, denied Plaintiff March 17, 2013, P/C request without even reviewing the threat (see, exhibit - P, marked Facility Decision, ) on June 26, 2013. Though Defendant Anderson made the bold claim, 'In accordance with DR 501.330 Stateville Correctional Center conducted a review of offender's P/C request.' Defendant Codinez concurred with Anderson's decision despite Anderson and Codinez's knowledge of assaults and threats upon Plaintiff.

69. Instead of allowing Plaintiff the full benefits of 20 Ill. adm. code 501.300, 501.305, 501.310, 501.320, 501.330, 501.340 and 501.350, which Defendants Codinez, Lemke and Anderson are entirely responsible for implementation of to protect inmates like Plaintiff from the violent assaults he's suffered in the past, it is part of Defendants' custom and practice to retaliate against Plaintiff and, in information and belief, other inmates, for asserting their rights through the IDOC grievance process, notably ordering IDOC staff and employees not to process any request for protection by Plaintiff from violent (SIB's) whose grievance

is widespread and pervasive within the IDOC.

70. Defendants Bodine, Lemke and Anderson lied, through their attorneys on July 11, 2013, during a settlement conference when Federal Magistrate Mason inquired directly of litigation counsel for IDOC Edward Huntley and Assistant Attorney General James P. Doran, "Why hasn't Mr. Boclain been given P/L?" Both Huntley and Doran replying, "Under the provisions Mr. Boclain may request P/L and immediately be removed from general population, if his request is ultimately denied, he may request it again, he does not have to remain in general population." See (exhibit M).

71. Under 20 Ill. adm. code 501.320 Plaintiff submitted a P/L request document to Defendants Sievers and Lorence on September 3, 2013. Again, no process under provision, state constitution or federal constitution has been implemented. See (exhibit N).

72. On October 3, 2013, Plaintiff's Counselor, Kim Duvall, informed Plaintiff, with her regret, "You know who are the only people that can tell us not to send you to the P/L unit."

73. Plaintiff was cautioned, that since the later part of September 2013, inmate Jarvis 'Bird' Jackson, a known BBD (STE) member, was encouraging other gang members to "hit Boclain" for the murder of Thomas Riley.

74. On October 31, 2013, while Plaintiff was returning from evening feed in the dining room three BBDs threatened to throw Plaintiff off 3rd gallery. ('Big A' - cell 356), ('Wild Wild' - cell 357) and ('Boo' - cell 359) were all known STE members by defendant Rabideau who placed them in these cells after October 7, 2013, when all were released from segregation for conducting 'STE' activity. Defendant Rabideau maintained Plaintiff in cell 360. See (exhibit X).

75. Immediately upon three gallery being sent to the recreation the next day, November 1, 2013, Plaintiff did not return to his cell, instead requesting housing in general population and requesting to be taken to the segregation area for his protection.

76. Defendant Robideau assigned Plaintiff a 'condemned' cell (219) with no heat and busted open windows in segregation.

77. On August 25, 2013, Plaintiff filed a grievance to Defendant ~~B~~ortinez when defendants Hawk, Bowlin and Montes informed Plaintiff he was not allowed to request P/C. On September 18, 2013, the ARB decided no consideration would be given to Plaintiff not being allowed to make those P/C request. See (exhibits K and K-1).

78. On August 25, 2013, Plaintiff filed emergency grievance # 2709 with defendant Lemke, concerning defendants Hawk, Bowlin and Montes telling Plaintiff he was not allowed to request P/C. See (exhibit L).

79. On September 12, 2013, Defendant Lemke rejected grievance # 2709 as an emergency and told Plaintiff to submit it in the normal process.

80. On September 18, 2013, Counselor Duvall received and responded to grievance # 2709, no action was taken on Plaintiff P/C request.

81. On September 24, 2013, Plaintiff submitted grievance # 2709 with the grievances officer where it has remained past the expiry provisions of 20 Ill. Adm. Code 509.830 (4).

82. On September 24, 2013 Plaintiff submitted emergency grievance # 3080 with Defendant Lemke concerning defendants Sievers and Lawrence refusal to process Plaintiff's September 3, 2013, P/C request document. See (exhibit M).

83. ON OCTOBER 11, 2013, DEFENDANT LEMKE REJECTED GRIEVANCE # 3080 AS AN EMERGENCY AND TOLD PLAINTIFF TO SUBMIT IT IN THE NORMAL PROCESS.

84. ON OCTOBER 31, 2013, PLAINTIFF SUBMITTED GRIEVANCE # 3080 WITH COUNSELOR DUNNILL EXPLAINING HIS REASON FOR REFUSING HOUSING IN GENERAL POPULATION, ON NOVEMBER 14, 2013, PLAINTIFF RECEIVED A RESPONSE, HIS REQUEST HAVE NOT GONE ON IGNORED. SEE (EXHIBITS N AND X).

85. ON NOVEMBER 15, 2013, PLAINTIFF SUBMITTED GRIEVANCE # 3080 TO GRIEVANCE OFFICER. NO IDOC OFFICIAL HAS ACTUALLY DONE ANYTHING TO PROTECT PLAINTIFF.

86. PLAINTIFF HAS CONTINUED TO FILE NUMEROUS GRIEVANCES REGARDING INTIMIDATION AND THREATS OF PHYSICAL ASSAULT BY VIOLENT STB MEMBERS. IDOC OFFICIALS HAVE CONTINUED TO EITHER DENY PLAINTIFF'S REQUEST FOR P/C (SINCE AUGUST 23, 2013, PLAINTIFF IS NOT EVEN ALLOWED TO REQUEST PROTECTION) AND HIS GRIEVANCE APPEALS WITHOUT ANY BASIS IN LAW OR FACT OR FAIL TO PROCESS AND RESPOND TO THEM AT ALL.

87. DESPITE REGULATIONS GOVERNING IDOC'S GRIEVANCE PROCESS, THE ACTUAL GRIEVANCE PROCESS AT STATEVILLE IS NOT EMPLOYED TO PROVIDE AN EFFECTIVE WAY FOR INMATES TO COMMUNICATE THEIR SAFETY CONCERNS, COMPLAINTS AND FEARS TO IDOC OFFICIALS. OFFICIALS PREFER TO DENY GRIEVANCES BASED ON PURPORTED PROCEDURAL DEFECTS AND TECHNICALITIES RATHER THAN TO ADDRESS LEGITIMATE THREATS TO INMATES SAFETY. DEFENDANTS REFUSAL TO ACKNOWLEDGE ACTUAL THREATS TO PLAINTIFF AND FAILURE TO RESPOND ADEQUATELY TO GRIEVANCES IS PART OF DEFENDANTS' ONGOING CUSTOM AND PRACTICE OF RETALIATING AGAINST PLAINTIFF AND, ON INFORMATION AND BELIEF, OTHER INMATES, FOR ASSERTING THEIR RIGHTS THROUGH THE IDOC GRIEVANCE PROCESS.

CLAIM FOR RELIEF

COUNT I

(Against Defendants Berlinez, Houchy, Robideau, Johnson, Lizard, Washburnt,

STEVENS, FRANKO, WILLIAMS, BUCKHART, CERVANTES AND VEGARA)

Infliction of CRUEL and UNUSUAL PUNISHMENT and RETRIBUTION in violation of the EIGHT amendment by intentionally housing Plaintiff in CONDEMN cells.

88. Plaintiff repeats and realleges Paragraphs 1 through 87 as though fully set forth herein.

89. Defendants acted with deliberate indifference to deprive Plaintiff of basic human needs in his living conditions.

90. By housing Plaintiff in known CONDEMN cells, where extreme cold inundated the air, feces and urine deluged the floor for days and a massive infestation of cockroaches constantly prevailed in a totality of conditions from November 25, 2011, until June 22, 2012, Defendants acted with deliberate indifference to the known and serious risk for injury then and in the future. Because of Defendant reckless disregard of Plaintiff living conditions Plaintiff continues to suffer deep psychological trauma.

91. Plaintiff has exhausted his administrative remedies with respect to his grievances regarding deprivations of shelter and basic human needs due to the conduct of Defendants.

92. Defendants refused to provide Plaintiff with decent prison conditions, among other reasons, in retaliation for Plaintiff's history of asserting his rights and filing grievances, which often name ISUC officials, describing their violation.

93. The reckless disregard of Defendants for Plaintiff's safety, under color of law and without justification, constituted deliberate indifference to an objectively

SERIOUS and Subjectively known danger posing a substantial risk of serious harm to Plaintiff and amount to cruel and unusual punishment in violation of the eight and fourteenth amendments to the U.S. Constitution and 42 U.S.C. § 1983.

WHEREFORE, Plaintiff respectfully request the following relief:

- A. General damages against each Defendant, jointly and severally, in an amount not less than \$20,000.00 each.
- B. An award of punitive damages against each individual Defendant in an amount appropriate to punish each individual and deter others from engaging in similar misconduct;
- C. Attorney's fees, cost, and expenses as authorized by 42 U.S.C. § 1988 and as otherwise authorized by statute and law;
- D. A permanent injunction prohibiting Defendants from retaliating against Plaintiff and other provide him safe and somewhat decent prison conditions;
- E. any other relief that this Court may deem just and proper.

### Count II

(Against Defendants Bodinez, Leuke, Anderson, Rabideau, Hawk, Bowlin, Montez, Lorenzo and Sievers)

Infliction of cruel and unusual Punishment and retaliation in violation of the eight amendment by intentionally ignoring threats by STG members

94. Plaintiff repeats and realleges paragraphs 1 through 93 as though fully stated herein.

95. Defendants acted with deliberate indifference to known and substantial risks to Plaintiff by repeatedly denying and, ultimately refusing to allow, Plaintiff's request for protection from STG members who have consistently threatened and harassed and assaulted him, since he denounced gang violence and left his former lifestyle behind.

96. Plaintiff was subjected to a death threat on October 31, 2013, when STG members stated they would "throw him off [3] gallery" in connection with the death of another inmate.

97. Plaintiff has exhausted his grievances in regard to his P/C request when Defendants refused to even review his threat in the March 17, 2013, P/C document and the August 21, 2013, ARB denial of his appeal.

98. As a direct result of Defendants' non-action, Plaintiff life is in present danger.

WHEREFORE, Plaintiff respectfully request the following relief:

A. General damages against each Defendant, jointly and severally, in an amount not less than \$20,000.00 each.

B. An award of punitive damages against each individual Defendant in an amount appropriate to punish each individual Defendant and deter others from engaging in similar misconduct;

C. Attorney's fees, cost and expenses as authorized by 42 U.S.C. § 1988

and as otherwise authorized by statute or law;

D. a permanent injunction prohibiting Defendants from retaliating against Plaintiff for exercising his rights and requiring Defendants to place Plaintiff in protective custody and otherwise protect him from known and reasonably foreseeable threats including STBs whose members have expressed a desire to harm him;

E. any other relief that this Court may deem just and proper.

### COUNT III

(Against Defendants Bodinez, Lemke, Anderson, Johnson, Rabideau, Hardy, Siebers, Bowlin, Hawk, Montez and Lorence)

Denial of Due Process in violation  
of the Fourteenth Amendment

99. Plaintiff repeats and realleges paragraphs 1 through 98 as though fully stated herein.

100. As described herein, Defendants repeatedly either failed to respond to, denied or refused to allow Plaintiff's protective custody request, grievances and appeals for arbitrary, inaccurate and unfounded reasons. Defendants' actions violated provisions of the Illinois Administrative Code setting out rules for handling protective custody request and inmate grievances, including, but not limited to, 20 Ill. adm. code §§ 501.305, 501.310, 501.320 and 504.830, 504.840 and 504.850 respectively.

100. Defendants have denied Plaintiff the right of protection, as described above, in violation of regulations including, but not limited to 20 Ill. adm. code § 501.320 (a). Plaintiff exhausted his administrative remedies with respect to his P/C request when

THE ARB ON AUGUST 21, 2013, DENIED PLAINTIFF'S MARCH 17, 2013 APPEAL WITHOUT CONSIDERING THE THREATS PLAINTIFF DISCLOSED TO THEM IN THAT DOCUMENT. THE ARB ALSO REFUSED TO CONSIDER GRIEVANCE # 87 IN REGARD TO PLAINTIFF LIVING CONDITIONS ON MAY 23, 2012; EMERGENCY GRIEVANCES # 4340 AND # 4356, WHEN BOTH THE ARB AND DIRECTOR BORDINEZ DID NOTHING WHILE STATEVILLE'S GRIEVANCE OFFICER HAD YET TO RESPOND REGARDING DEPRIVATIONS IN PLAINTIFF'S LIVING CONDITIONS. (EXHIBITS H AND I).

102. THESE ACTIONS AND INACTIONS CONSTITUTE DENIALS OF PROCEDURAL DUE PROCESS GUARANTEED TO PLAINTIFF BY THE FOURTEENTH AMENDMENT TO THE CONSTITUTION AND 42 U.S.C. § 1983.

WHEREFORE, PLAINTIFF RESPECTFULLY REQUEST THE FOLLOWING RELIEF:

A. GENERAL DAMAGES AGAINST EACH DEFENDANT, JOINTLY AND SEVERALLY, IN AN AMOUNT NOT LESS THAN \$ 20,000.00 EACH.

B. AN AWARE OF PUNITIVE DAMAGES AGAINST EACH INDIVIDUAL DEFENDANT IN AN AMOUNT APPROPRIATE TO PUNISH EACH INDIVIDUAL DEFENDANT AND DETER OTHERS FROM ENGAGING IN SIMILAR MISCONDUCT;

C. ATTORNEY'S FEES, COST AND EXPENSES AS AUTHORIZED BY 42 U.S.C. § 1988 AND AS OTHERWISE AUTHORIZED BY STATUTE AND LAW;

D. A PERMANENT INJUNCTION PROHIBITING DEFENDANTS FROM RETALIATING AGAINST PLAINTIFF FOR EXERCISING HIS RIGHTS AND REQUIRING DEFENDANTS TO RECEIVE AND PROMPTLY PROCESS PLAINTIFF P/C REQUEST AND PLACE HIM IN A SAFE ENVIRONMENT.

E. ANY OTHER RELIEF THAT THE COURT MAY DEEM JUST AND PROPER.

Court IV

(against all Defendants)

RETALIATION IN VIOLATION OF THE FIRST AND FOURTEENTH AMENDMENTS

103. Plaintiff restates and realleges paragraphs 1 through 102 as if fully set forth herein.

104. Plaintiff exercised his right to file grievances for the redress of injuries and wrongs experienced while in the custody of IDOC including grievances describing Defendant's deliberate indifference to his safety and well-being and the lack of efficacy of certain IDOC officials in dealing with dangers to his safety. Plaintiff's grievances and complaints addressed matters of public concern.

105. Because these grievances and protective custody documents created a record of Defendant's unlawful acts and because Defendant ordered IDOC staff and employees not to process Plaintiff protective custody request nor make the effort to adequately investigate and act upon Plaintiff's grievances and complaints, Defendant retaliated against Plaintiff by thwarting and/or ignoring Plaintiff's request for protection and grievance despite their knowledge that Plaintiff would likely suffer bodily harm if not protected.

106. Plaintiff's grievances and complaints are protected by the First Amendment and Defendant's conduct is designed to deter Plaintiff and others from exercising their First Amendment rights in the future. Defendant's means of retaliation - declining to protect Plaintiff from imminent bodily harm - would deter a person of ordinary firmness from exercising his rights.

107. Plaintiff's filing of grievances constituted a substantial motivating factor for Defendant's retaliation, which violated Plaintiff's rights under the First and Fourteenth Amendments to the United States Constitution and 42 U.S.C. § 1983.

WHEREFORE, Plaintiff respectfully request the following relief:

A. General damages against each individual Defendant jointly and severally, in an amount not less than \$20,000.00 each.

B. An award of punitive damages against each individual Defendant in an amount appropriate to punish each individual Defendant and deter others from engaging in similar misconduct;

C. Attorney's fees, cost, and expenses as authorized by 42 U.S.C. § 1988 and as otherwise authorized by statute and law.

D. A permanent injunction prohibiting Defendants from retaliating against Plaintiff for exercising his rights, requiring Defendants to place Plaintiff in protective custody and otherwise protect him from known and reasonably foreseeable threats including STOs whose members have expressed a desire to harm him, requiring Defendants to allow and not thwart Plaintiff's PIC request and timely process Plaintiff grievances in accordance with Illinois law and grant Plaintiff a safe and somewhat decent living environment.

E. Any other relief that this Court may deem just and proper.

Court v.  
(against all Defendants)  
willful and intentional negligence

108. Plaintiff repeats and realleges each of the allegations contained in paragraphs 1 through 107 of this complaint as though fully set forth herein.

109. Defendants owed a duty to Plaintiff to protect him from foreseeable dangers posed by other inmates and IDOC staff.

110. Defendants breached their duties by ignoring the dangers to Plaintiff, failing to act to eliminate or dispel the dangers to Plaintiff posed by STA members, and other prison conditions, deliberately perpetuating dangerous conditions and policies at stateville not allowing Plaintiff to request protective custody, ignoring or denying Plaintiff's grievances without any basis in law or fact, and failing to provide Plaintiff somewhat decent living conditions.

111. Defendants acted with knowledge that their conduct posed a high probability of serious physical harm to Plaintiff, and thus breached their duties willfully and wantonly.

112. Plaintiff has exhausted numerous grievances he has filed in attempts to compel Defendants to protect him.

113. By breaching their duties to Plaintiff, Defendants actually and proximately caused the threat upon Plaintiff's life. The threat Plaintiff faces at the hands of STA members were reasonably foreseeable consequences of the named Defendants' acts and omissions.

WHEREFORE, Plaintiff respectfully request the following relief.

A. General damages against each Defendant, jointly and severally, in an amount not less than \$20,000.00 each.

B. An award of punitive damages against each individual Defendant in an amount appropriate to punish each individual Defendant and deter others from engaging in similar misconduct;

C. Attorneys fees, cost, and expenses as authorized by 42 U.S.C. § 1988 and as otherwise authorized by statute or law;

b. a permanent injunction prohibiting Defendants from retaliating against Plaintiff for exercising his rights in any of the manners described herein and requiring Defendants to place Plaintiff in protective custody and otherwise protect him from known and reasonably foreseeable threats including STBs whose members have expressed a desire to harm him;

e. any other relief that this Court may deem just and proper.

OFFENDER'S GRIEVANCE (Continued)

There is a massive infestation of roaches in the cell with the racist. Counting (R3) killed in the bed while I slept, staining my underwear and sheets in bug juice, dropping from the upper bed and ceiling into my food tray as I attempt to eat. All this psychological and emotional abuse is designed by Warden Hardy / Ada Johnson, to accompany the physical attacks (Feb. 1, 2011 and Dec. 22, 2011) they have ~~over~~ <sup>put</sup> upon me, because of their smallness, unprofessionalism and recklessness in retaliating against me for filing grievances and doing pro se litigation against Warden Hardy while in the protective custody unit. Two severe head injuries in ten months, both times I later passed out and had vomiting - no medical follow-up is ever forthcoming (not even an aspirin was given after the Dec. 22, 2011 beating with a sock full of batteries, which left a one inch gash between my eyes in the forehead, left side of head swollen from the temple to the back, both eyes and nose swollen shut along with an upper lip on Christmas day) though I've repeatedly informed medical staff my long-term memory is damaged and I suffer constant pain and pounding pressure in my head since these attacks began. Medical staff visit the cellhouse concealing their identity (turning their I.D. is backwards and refusing to give their name as they deny any immediate medical care) saying when asked, "I'm the nurse on the gallery" as was told to me on Christmas day with blood leaking from swollen wounds. The conduct of this Warden, who continues to inflict actively violent individuals upon me is going to cause the death of someone. I only pray my life is not lost in the fady. I am housed in an environment (prison officials knew in advance of both attacks in F-house) where my enemies abound, and they kill, they have killed in society and have thought nothing of attempting to injure one to death in the 30 years I have known them in prison, where now this Warden and placement officer (Ada Johnson) will undoubtedly let loose lethal circumstances upon <sup>in the cell</sup> me. Allah / God, is my armour.

He told me it would have to wait, but instructed me to enter a "condemned" cell while he contacted the Placement Officer to find me a cell. THE BOWL WOULD OVER-FLOW, THE TIMER ON THE TOILET WOULD NOT CUT OFF FOR ONE MINUTE. ALL THE WATER WOULD COME UP (FECES, URINE, SOAP AND TOOTHPASTE) ONTO THE FLOOR. I COULDN'T DRINK, WASH MYSELF OR RELIEVE MY BOWEL AND BEGGED TO BE PUT IN A CELL WHERE THE FACILITIES WORKED. BEING FORCED BY NATURE TO DEFECATE AND ATTEND MY HYGIENIC NEEDS I WAS SEEN ~~SHAMING~~ WASTE OUT THE WINDOW AS AN OVER-FLOWING TOILET PUSHED IT UP ON THE FLOOR. C/O LAZARD WAS INFORMED, CAME TO THE CELL WITH AN INMATE TO HELP ME CLEAN, BUT LEFT ME IN THE CELL, ALL ON JAN. 14, 2012. ON JAN. 15, 2012, ANOTHER INMATE (BROWN N1517) WAS PLACED IN THE CELL, I NEEDED WITH C/O NUSHAOT ~~NOT TO~~ BECAUSE OF THE CONDITIONS, BUT HE SAID THE LIEUTENANT HAD NO CHOICE. IMMEDIATELY WHEN THE BOTH OF US BEGAN TO USE THOSE BROKEN FACILITIES THE ENTIRE CELL BECAME INUNDATED IN URINE AND EXCREMENT, AS WELL AS ONE-THIRD OF THE GALLERY BEFORE FIVE CORRECTIONS OFFICERS BEGAN TO CLEAN UP AND PREVENT SO MANY OTHER CELLS FROM BEING CONTAMINATED. NOTHING WAS GIVEN TO CLEAN THIS CELL (#209). THE C/O'S BECAME ANGRY SAYING I WASN'T COOPERATING WITH HOW HARD IT WAS ON THEM. THE NEXT MORNING AFTER WASHING TO EAT AND CLEAN MY BODY AGAIN, MORE FECES, URINE AND CHAIR IMPURITIES FLOODED THE CELL WASHING UPON THE WASTE LEFT THE NIGHT BEFORE. C/O LAZARD ANGRILY SCOLD ME FOR WASHING MY BODY AND TAKING CARE OF MY HYGIENE. AT 8:30 A.M. (JAN. 16, 2012) THE SAME MORNING, (THOUGH NO STAFF MEMBER EVER OFFERED THE OPPORTUNITY TO BATH IN THE SHOWER) SAT. SEVENS ORDERED C/O FRANCO OVER THE RADIO TO REMOVE ME FROM THE CELL, IN NOTHING BUT SHORS, T-SHIRT AND PANTS, AND PLACED ME HANDCUFFED IN AN EMPTY SHOWER WITH A CRACKED VENTILATED WINDOW FOR FIVE HOURS (UNTIL 2:00 P.M.) BEFORE PUTTING ME BACK IN CELL 209 WHICH HAD NOT BEEN CLEANED INFORMING ME NOT TO DO ANYTHING BUT SLEEP AND EAT IN THE CELL. ON THE 3-11 SHIFT (JAN. 16, 2012) MY CELLMATE WASHED FOR HIS HYGIENE AND RELIEVED HIMSELF OVER-FLOWING THE CELL AND THE GALLERY AGAIN, CAUSING SAT. WILLIAMS TO FIRST COME TO THE CELL AND THREATEN US, "YOU BETTER NOT TOUCH ANYTHING IN THAT CELL," THEN C/O'S BUCKWALT, CERVANTES AND VEDORS COMPLAINED ABOUT HOW I ONLY THOUGHT ABOUT MYSELF AND NOT THEM. FINALLY ON JAN. 17, 2012, AT 1:30 P.M. C/O LAZARD CAME TO CELL AND INFORMED ME THE PLACEMENT OFFICER WAS ALLOWING ME TO GO INTO ANOTHER CELL.

Prison and Placement records will indicate from Jan. 13-17, 2012, I was in Cell 209 of F-House.

Inmate Brown N-71517, was taken from X-House Plc, and put in F-House Cell 209 on Jan. 15, 2012.

Maintenance records show work orders before Jan. 13, 2012 and after Jan. 17, 2012 for Cell F-209.

On January 17, 2012, I was moved from F-209 to F-206. The grievance officer knows records reflect this fact.

Register No. A60451  
Stateville Correctional Center

Dear Mr. Bocclair:

This is in response to your grievance received on November 9, 2012, regarding conditions (broken toilets/sink in cell; not taken to health care on 1/18/12), which was alleged to have occurred at Stateville Correctional Center. This office has determined the issue will be addressed without a formal hearing.

The Grievance Officer's Report (M557) and subsequent recommendation dated October 2, 2012 and approval by the Chief Administrative Officer on October 15, 2012 have been reviewed.

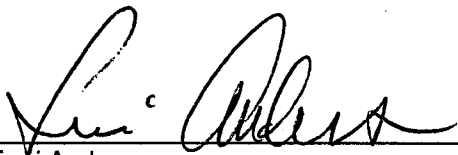

Your requested relief is that staff be held accountable.

Medical records reflect you were seen on January 31, 2012. Based on security issues, at times passes must be rescheduled.

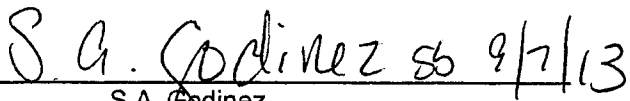

Maintenance records reflect work orders were completed on January 21, 2012 and January 25, 2012. Repairs are scheduled and completed as expeditiously as possible.

Based on a total review of all available information, it is the opinion of this office that the issue was appropriately addressed by the institutional administration. It is, therefore, recommended the grievance be considered moot as matters were resolved.

Constantly opening the cell door (most recently 11-23-11 7-3 Shift C/D and 11-24-11 3-11 Shift C/D) for general population inmates who go to shower or pass. When heater in the cell only simmers when it's on, as the window above it will not allow any warmth to be retained in the cell, pushing in element weather in from the high air outside because of open ventilation. While the placement officer sent segregation releases, F House general population inmates, and new arrivals, who were not in Stateville prison on Nov. 1, 2011 when I requested protected custody, to X House protective custody unit, falsely claiming an over-crowding issue, blatantly misleading and lying to my counselor in my Nov. 1, 2011 grievance, when it's no excusable solution even for a day to violate the law by keeping me in general population after my request for protective custody.

Declaration of

ERIK BIRD SALL #B54736

ERIK BIRD SALL #B54736 hereby declares:

(Upon Being Placed in Cell #460 of E House in the general population of Stateville Correctional Center, on Nov. 3, 2011, after having requested protective custody since Oct. 24, 2011, I witnessed, and I am informed of the following events;

- 1) Cell #460 was a cell with a glass front, with over 25 window squares missing, into which a person could reach up to his torso.
- 2) Many gang members came to the cell and said things and caused my cellmate (Boclain ABDASI) to tell me he was afraid for his life and that he had previously been beaten unconscious by these same individuals. The officers in the gun tower would add to both our fears by constantly opening the <sup>door</sup> as inmates were on the gallery.
- 3) On more than one occasion I was stunned to disbelief as staff members became short of food and supplies, after giving them to every other cell on the gallery (cells 59, 60 and 61 were the last cells on four (4) gallery, which Walter Hoady had designated for protective custody inmates) saying they would try to find more, but going away, never coming back. This was only done to the protective custody inmates. C/O T. Jones would open the door, along with C/O's on Nov. 23, 2011 and Nov. 24, 2011, in some cases.
- 4) On Nov. 23, 2011, Boclain and myself were moved to cell 461 where that night C/O Anastacio, the gallery officer, delivered mail to Boclain from the Warden's Office, containing a grievance decision made nineteen (19) days earlier by the Warden, which Boclain had C/O Anastacio acknowledge name of custody.
- 5) I am also informed of the occasion on the morning of Nov. 25, 2011, when after receiving my tray, the warden, having run short, returned some time later giving Boclain a tray with feces.

6.) Cell # 461 is a cell with a small 24 inch heater below a window, which prevents any warmth from being retained in the cell because of the open ventilation of the entire window fixture, inclement weather blows in constantly, to the point where you can't stand at the sink to drink a cup of water. To lower your pants to sit on the toilet is freezing torture. Numerous times staff were made aware and nothing is done.

7.) Each inmate in the F-house is afforded and daily offered religious service, outside recreation and regularly scheduled law library access, except, the protective custody designated inmates.

I declare under penalty of perjury that the foregoing is true and correct.

**Brief Summary of Grievance:** My safety is at imminent risk in Stateville general population. Since October 2008 I have continuously maintained my request for protective custody. Prison administrators and high ranking IDOC officials have denied me protection, allowed security threats groups and staff to orchestrate violent physical assaults upon me. On August 23, 2013, C/O Bowlin came to my cell and told me, "I know I will get in legal trouble but, you are not a P/C inmate and you are not allowed to request protective custody." I informed C/O Bowlin I'm letting him know as a law enforcement officer I'm telling him specifically I'm requesting P/C at that very moment. C/O Bowlin said, "you can't do it, I don't want to hear it, you're not allowed!" Later, C/O Hawk collected from myself and seven other inmates (Burgund 514068; Wells R10344; \_\_\_\_\_).

**Relief Requested:** Stop denying my Illinois Constitution and 14th Amendment right to protection under law.

*Re: Stanley Bocclair v. Marcus Hardy, et al. - 11 C 5217*

Dear Mr. Doran:

We were able to speak to Mr. Bocclair by telephone yesterday. Thanks for your assistance in arranging the call. Mr. Bocclair has authorized us to send you the enclosed settlement documents but again emphasized that his agreement to the settlement terms was based, in part, on your and Mr. Huntley's assurances during the settlement conference that IDOC would abide by applicable regulations requiring it to process his protective custody requests and place him in protective custody upon request while the requests are being processed.

Mr. Bocclair informs us that his most recent protective custody requests have still not been processed, that his grievances regarding the failure to accept such requests for processing have been denied by the warden, and that he has been housed with general population inmates since at least late August. We understand that there has been some turnover at Stateville and that the prison has recently been on lockdown but this does not excuse prison staff from complying with applicable law. We trust that you will do everything within your power to ensure that IDOC officials comply with Illinois law and with the representations made during the settlement conference regarding Mr. Bocclair's right to request, and be placed in, protective custody.

Very truly yours,

Seth A. Stern

**ILLINOIS DEPARTMENT OF CORRECTIONS  
HEARING OF ADMINISTRATIVE REVIEW BOARD  
Video Conference**

**DATE OF HEARING:** August 12, 2013

**INSTITUTION:** Stateville Correctional Center

**GRIEVANT NAME:** Stanley Bocclair, Register No. A60451

**BOARD MEMBERS PRESENT:** Terri Anderson, Administrative Review Board Chairperson, Office of Inmate Issues, Department of Corrections.

Grievant was personally interviewed by the Administrative Review Board. All information submitted to the Board by the Grievant, and the institution related to the issue being grieved, was reviewed. Issues warranting further action / consideration were discussed with the Stateville Correctional Center administration.

Nature of Grievance: Inmate Bocclair is grieving denial of Protective Custody.

Findings: The Board notes the inmate is currently serving a Life sentence. Records reflect an admission date of January 8, 1982.

Grievant has been housed at the Stateville Correctional Center since August 11, 2010. Grievant has two declared enemies at Stateville. An affiliation with Gangster Disciple STG is noted.

The Board reviewed the Protective Custody Status sheet dated March 17, 2013 wherein grievant requested PC, stating; August of 2007 assaulted cellmate (Jones) after being smacked for warning him not to enter my property box. GD's & BD's threatened my life for not letting them resolve the issue. February of 2011 was kicked in head by inmates stating they were GD's. December of 2011, was beat with sock of batteries by Reese.

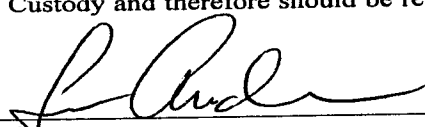

In accordance with DR 501.330, Stateville Correctional Center conducted a review of offender's PC request. Upon completion of the review it was recommended to which the CAO concurred on June 26, 2013, that the PC status/placement be denied.

Inmate's statement to ARB: I have had to suffer injury for my request to have merit. Can't go in to population at Menard or Stateville. At risk by the people I used to be with.

Offender Bocclair recounted reasons as stated above. Bocclair has been seen by the Board several times in the past wherein he cited the same reasons. None of these claims has been substantiated.

Recommendations: Based on a review of all information, it is the opinion of the Board that there is not sufficient information to warrant the offender's retention in Protective Custody and therefore should be released into general population.

STATE OF ILLINOIS

AFFIDAVIT

I, Stanley Doclair, do hereby depose that the following statements are made from my personal knowledge and the following are both true and correct and states as follows:

On July 30, 2013, while most of unapproved protective custody inmates and all of approved were moved to the X-Cellhouse, a group of ten to twelve unapproved protective custody inmates were held in F-House general population and verbally told by Major McCarvey, no unapproved P/C inmates in F-House would be allowed to physically access the prison law library, giving no reason for this denial of services.

On August 23, 2013, myself, Ronald Wells and several other unapproved protective custody inmates in F-House of general population, awaiting written decisions on our protective custody status, which shall only come from the Director of Illinois Department of Corrections and Administrative Review Board (20 Ill. adm. code section 504.850 (b)), were told by three different correctional officers (Bowlins, Montez, Hawk) we were no longer considered unapproved P/C inmates but general population instead and, Placement Officer Robideaux and Internal Affairs said we would not be allowed to request protective custody again while in the prison.

Despite the assaults I've suffered and given no decision, to this day, on my protective custody status, high ranking prison officials are allowing the state of nature to take its course with the well-being of myself and Ronald Wells and other unapproved P/C inmates held in general population.

RESPECTFULLY SUBMITTED
